The Secretary to the
Government of Madras,
Home Department.

C. NO: 1271-/SG/45 DATED 28th NOVEMBER 1945.

Sir,

Sub: Typewriter belonging to the Road Traffic Board, South Kanara district - Retention for the use of the District Police Office Sanction requested.

There is only one typewriter in the District Police Office, South Kanara, while the sanctioned number of typists is two. In recent years, there has been a heavy increase in the typing work of this office and it has been found increasingly difficult to get all important reports, statements etc. typed on a single machine. There is continuous typing work throughout the day and very often urgent references have to be delayed owing to the non-availability of the machine for fair-copying. To avoid such delays, a good deal of fair-copying was also being done by using the typewriter supplied to the Road Traffic Board Office.

2. Consequent on the formation of the Regional Transport offices, the typewriter belonging to the Road Traffic Board, South Kanara district, has to be returned to the Superintendent of Stationery, Madras, according to the instructions of the Secretary, Central Road Traffic Board, Madras. If this is done, the typing work in the District Police Office will suffer.

3. It will be impossible to carry on the typing work of the District Police Office with one machine. I, therefore, request the Government to sanction the retention of the Road Traffic Board type writer for the use of the District Police Office.
